How to use a Harbour Town Gift Card

Present your Gift Card at participating retailers (as listed on our website and in our Centre Guide). You can select any number of products up to the value of the card, or above the value in which case you will need to make up the difference with an alternate form of payment. The store will then process your purchase using the Gift Card like an EFTPOS card (your Gift Card PIN is located under the scratch panel on the back of your Gift Card).

If you experience issues with your Gift Card you can ask the participating retailer to call the Wright Express Help Desk on 1300 553 380. Alternatively, Harbour Town's Tourism Lounge may be able to assist – call +61 7 5561 5704 or visit them in-Centre.
